

WELCOME TO THE 2009 MEN'S FALL GOLF LEAGUE

The league will run for 7 weeks on Tuesday nights, beginning August 18. League will begin at 5:30 sharp. The last 2 weeks of the season will begin at 5:15. All players will play every shot (no alternating shot, the player who hit the shot will not drop out.) You may play with 2 players.

The entry fee is \$10 and must be paid the first night

If only one team member shows up, there will be no points for their team that night.

Their opponents will receive the average of the top five point totals.

Any member of the Sheldon Golf & Country Club is eligible to substitute, however, it is expected that the sub must have a handicap VERY CLOSE to the team member not playing.

Scoring will be standard league scoring, with 2 points per hole and 4 points for total.

Four places will be paid out
1st - 40%, 2nd 30%, 3rd - 20%, 4th - 10%

The team with the bye each week will still play their round, but a card will be drawn at the end of the night to determine their opponent.
